EMERGENCY MEDICINE

BRIEF DESCRIPTION

The Emergency Department is a full-service, Level I facility, staffed 24 hours a day by board certified emergency physicians. The department is equipped to deal with all urgent and emergency problems. It is a major portal of entry to the services and facilities of UNC Hospitals and is a provider of ambulatory care on an emergency basis.

An attending emergency physician is present in the Emergency Department at all times to provide and supervise patient care, expedite referrals and offer consultations.
