### Adaora A. Adimora, MD, MPH  
**Professor**

- **Specialty:** Infectious Diseases
- **Procedures and Research:** Human immunodeficiency virus (HIV), sexually transmitted infections (STI) epidemiology, sexual networks, HIV/STI racial/ethnic disparities, and social epidemiology.
- **Medical School:** Yale University
- **Residency:** Boston City Hospital  
  **Area:** Medicine
- **Fellowship:** Montefiore Medical Center  
  **Area:** Infectious Diseases
- **Additional Education:** University of North Carolina at Chapel Hill  
  **Area:** Public Health
- **Certifications:** Internal Medicine, Internal Medicine-Infectious Disease

### UNC Infectious Diseases Clinic
- 101 Manning Drive
- N.C. Memorial Hospital
- First Floor
- Chapel Hill, NC 27514
- **Phone:** (984) 974-7198
- **Fax:** (984) 974-4587
- **Website:** [www.uncmedicalcenter.org/uncmc/care-treatment/infectious-diseases](http://www.uncmedicalcenter.org/uncmc/care-treatment/infectious-diseases)

### Brittany M. Alexander, FNP-C  
**Research Assistant**

- **Specialty:** Infectious Diseases
- **Special Interests:** HIV management, HIV in pregnancy, pre-exposure prophylaxis (PrEP), post-exposure prophylaxis (PEP), sexually transmitted infections (STI) management
- **Bachelor of Science:** University of North Carolina at Chapel Hill  
  **Area:** Nursing
- **Master of Science:** Duke University  
  **Area:** Nursing-Family
- **Certifications:** Nursing, Nursing-Family Nurse Practitioner

### UNC Infectious Diseases Clinic
- 101 Manning Drive
- N.C. Memorial Hospital
- First Floor
- Chapel Hill, NC 27514
- **Phone:** (984) 974-7198
- **Fax:** (984) 974-4587
- **Website:** [www.uncmedicalcenter.org/uncmc/care-treatment/infectious-diseases](http://www.uncmedicalcenter.org/uncmc/care-treatment/infectious-diseases)
## Infectious Diseases (cont.)

### Luther Bartelt, MD
**Assistant Professor of Medicine**

- **Specialty:** Infectious Diseases
- **Procedures and Research:** Tropical medicine and the role of host immune response and nutritional factors in the development of malnutrition during giardiasis
- **Medical School:** University of Iowa
- **Certifications:** Internal Medicine, Internal Medicine-Infectious Disease

**UNC Hospitals Jason Ray Transplant Clinic**
101 Manning Drive
N.C. Memorial Hospital
Fourth Floor
Chapel Hill, NC 27514
**Phone:** (984) 974-5100
**Fax:** (984) 974-5595
**Website:**
www.uncmedicalcenter.org/uncmc/care-treatment/transplant-care

### Natalie Bowman, MD, MPH
**Assistant Professor**

- **Specialty:** Infectious Diseases
- **Procedures and Research:** Human immunodeficiency virus (HIV) and parasitic co-infections in Latin America, including Zika, with a particular focus on opportunistic infections that affect the central nervous system such as toxoplasmosis and Chagas disease.
- **Medical School:** Columbia University
- **Master of Public Health:** University of North Carolina at Chapel Hill
- **Certifications:** Internal Medicine, Internal Medicine-Infectious Disease

**UNC Infectious Diseases Clinic**
101 Manning Drive
N.C. Memorial Hospital
First Floor
Chapel Hill, NC 27514
**Phone:** (984) 974-7198
**Fax:** (984) 974-4587

www.uncmedicalcenter.org/uncmc/care-treatment/infectious-diseases
Infectious Diseases (cont.)

Octavio Cieza, MD

Specialty: Infectious Diseases
Medical School: National University of San Marcos
Area: Infectious Diseases
Honors:

Residency: The Christ Hospital
Area: Internal Medicine
Honors:

Fellowship: University of Illinois and University of Chicago
Area: Infectious Diseases
Honors:

Certification: Internal Medicine-Infectious Disease

UNC Specialty Care at Smithfield (Infectious Disease)
507 N. Brightleaf Blvd.
Suite 201
Smithfield, NC 27577
Phone: (919) 934-8544

Myron S. Cohen, MD

Associate Vice Chancellor for Global Health; Chief, Division of Infectious Diseases; Yeargan-Bate Eminent Distinguished Professor of Medicine, Microbiology and Immunology, and Epidemiology; Director, UNC Institute for Global Health and Infectious Diseases

Specialty: Infectious Diseases
Procedures and Research: Biology and epidemiology of sexually transmitted diseases, including human immunodeficiency virus (HIV) and Zika.
Medical School: Rush University
Residency: University of Michigan, Ann Arbor
Area: Internal Medicine
Fellowship: Yale University
Area: Infectious Diseases
Certifications: Internal Medicine, Internal Medicine-Infectious Disease

UNC Hospitals
101 Manning Drive
Chapel Hill, NC 27514
Phone: (984) 974-1000

Infectious Diseases (cont.)

Dirk Collevecchio, MSN, APRN, AGNP-C, AACRN
*Research Instructor*

**Specialty:** Infectious Diseases

**Special Interests:** Primary care for people living with human immunodeficiency virus (HIV), cardiovascular risks of HIV and other sexually transmitted infections

**Master of Science:** Duke University

**Area:** Nursing

**Certifications:** Nursing-Gerontological Nurse Practitioner, Nursing-Advanced HIV/AIDS Nurse

Wake County Human Services ID Clinic
10 Sunnybrook Road
Clinic B
Raleigh, NC 27610

**Phone:** (919) 250-3999

**Fax:** (919) 250-4429

**Website:** www.wakegov.com/humanservices/publichealth/Pages/clinics.aspx

Ann Dennis, MD
*Assistant Professor of Medicine*

**Specialty:** Infectious Diseases

**Procedures and Research:** Clinical and epidemiologic aspects of human immunodeficiency virus (HIV), acquired immunodeficiency disease (AIDS), particularly among minority and immigrant populations; the evaluation of HIV transmission networks in North Carolina using phylogenetic reconstruction of HIV pol sequences; comparison of social recruitment and HIV transmission networks in Central America; HIV among immigrant Latinos in North Carolina; application of phylogenetic methods in HIV prevention research and primary HIV infection; late presentation to HIV care; and early testing strategies/ linkage to care among minorities.

**Medical School:** University of New Mexico Health Sciences Center

**Certifications:** Internal Medicine, Internal Medicine-Infectious Disease

UNC Infectious Diseases Clinic
101 Manning Drive
N.C. Memorial Hospital
First Floor
Chapel Hill, NC 27514

**Phone:** (984) 974-7198

**Fax:** (984) 974-4587

**Website:** www.uncmedicalcenter.org/uncmc/care-treatment/infectious-diseases
Infectious Diseases (cont.)

Robert Dodge, PhD, RN, ANP, AACRN

Associate Professor; Clinical Director, HIV/STI Clinic at Wake County Human Services; Adjunct Associate Professor, Division of Pharmacy Practice and Experiential Education, UNC Eshelman School of Pharmacy; Adjunct Associate Professor of Nursing, UNC School of Nursing

Specialty: Infectious Diseases

Procedures and Research: Human immunodeficiency virus (HIV), sexually transmitted disease (STD).

Medical School: Catholic University of America

Medical School: Duke University

Bachelor of Science: University of North Carolina at Chapel Hill

Wake County Human Services ID Clinic
10 Sunnybrook Road
Clinic B
Raleigh, NC 27610

Phone: (919) 250-3999
Fax: (919) 250-4429
Website: www.wakegov.com/humanservices/publichealth/Pages/clinics.aspx

Joseph Alexander Duncan, MD, PhD

Associate Professor; Director, UNC's Infectious Diseases Fellowship Training Program; Director, UNC's Physician Scientist Training Program

Specialty: Infectious Diseases

Medical School: University of Texas Southwestern Medical Center

Residency: University of North Carolina at Chapel Hill

Area: Infectious Diseases

UNC Hospitals
101 Manning Drive
Chapel Hill, NC 27514

Phone: (984) 974-1000
Website: www.uncmedicalcenter.org

Tuyetanh Nguyen (Anh) Eichholz, PA-C

Instructor

Specialty: Infectious Diseases

Special Interests: HIV, general infectious diseases

Bachelor of Arts: University of Dallas

Area: Biology

Physician Assistant: University of Texas Southwestern Medical Center

Certification: Physician Assistant

UNC Infectious Diseases Clinic
101 Manning Drive
N.C. Memorial Hospital
First Floor
Chapel Hill, NC 27514

Claire Farel, MD, MPH
Assistant Professor; Medical Director, UNC Infectious Diseases Clinic

Specialty: Infectious Diseases

**Special Interests:** Treatment and prevention of human immunodeficiency (HIV)

**Medical School:** University of North Carolina at Chapel Hill

**Internship:** Brigham and Women's Hospital
**Area:** Internal Medicine

**Residency:** Brigham and Women's Hospital
**Area:** Internal Medicine and Global Health Equity

**Fellowship:** Brigham and Women's Hospital, and Massachusetts General Hospital
**Area:** Infectious Diseases

**Master of Public Health:** Harvard University

**Certifications:** Internal Medicine, Internal Medicine-Infectious Disease

---

Michelle Floris-Moore, MD, MS
Associate Professor

**Specialty:** Infectious Diseases

**Procedures and Research:** Metabolic and cardiovascular complications of human immunodeficiency virus (HIV).

**Medical School:** Cornell University

**Residency:** New York Hospital-Cornell Medical Center
**Area:** Internal Medicine

**Fellowship:** Montefiore Medical Center
**Area:** Infectious Diseases

**Certifications:** Internal Medicine, Internal Medicine-Infectious Disease

---

Lisa Hightow-Weidman, MD, MPH

*Associate Professor*

**Specialty:** Infectious Diseases

**Procedures and Research:** Acute human immunodeficiency virus (HIV), HIV prevention among adolescents.

**Special Interests:** Technology based human immunodeficiency virus (HIV) prevention interventions for msm and youth, linkage and retention in care.

**Medical School:** University of Virginia

**Residency:** Stanford University Medical Center

**Area:** Internal Medicine

**Fellowship:** University of North Carolina at Chapel Hill

**Area:** Infectious Diseases

**Master of Public Health:** University of North Carolina at Chapel Hill

**Certification:** Internal Medicine-Infectious Disease

**UNC Infectious Diseases Clinic**

Infectious Diseases (cont.)

Jonathan Juliano, MD
Associate Professor; Medical Director, UNC Hospitals Antibiotic Stewardship Team; Associate Director, UNC Infectious Diseases Fellowship Program

Specialty: Infectious Diseases
Special Interests: Tropical medicine, general infectious diseases
Medical School: University of North Carolina at Chapel Hill
Certifications: Internal Medicine, Internal Medicine-Infectious Disease

Anne Lachiewicz, MD, MPH
Assistant Professor of Medicine

Specialty: Infectious Diseases
Procedures and Research: Infections with multi-drug resistant gram-negative bacteria among critically ill patients at the NC Jaycee Burn Center.
Special Interests: Infections in patients with solid organ and bone marrow transplant, leukemia, lymphoma, and burn injury.
Medical School: University of North Carolina at Chapel Hill
Master of Public Health: University of North Carolina at Chapel Hill
Certifications: Internal Medicine, Internal Medicine-Infectious Disease
### Peter Anthony Leone, MD  
**Professor**

**Specialty:** Infectious Diseases  
**Procedures and Research:** Diagnosis and treatment of sexually transmitted diseases (STD).  
**Medical School:** Northeastern Ohio Universities College of Medicine  
**Internship and Residency:** Akron City Hospital  
**Area:** Internal Medicine  
**Fellowship:** Bowman Gray School of Medicine  
**Area:** Infectious Diseases  
**Certifications:** Internal Medicine, Internal Medicine-Infectious Disease  

**UNC Infectious Diseases Clinic**

Julia Sung, MD
Assistant Professor of Medicine

Specialty: Infectious Diseases

Procedures and Research: Measuring and enhancing immune responses to human immunodeficiency virus (HIV)-infected cells as they emerge from latency in individuals who have been maintained on suppressive antiretroviral therapy (ART), the development and optimization of a novel latency clearance assay as a means of evaluating the ability of various immunotherapeutics to clear latent HIV infection, and optimizing and standardizing assays to detect such enhancement, and elucidating the mechanisms underlying an effective anti-latency immune response.

Medical School: Yale University

Certifications: Internal Medicine, Internal Medicine-Infectious Disease

Heidi Swygard, MD, MPH
Professor

Specialty: Infectious Diseases

Special Interests: Human immunodeficiency virus (HIV) and sexually transmitted diseases (STD) care and prevention; HIV pre-exposure prophylaxis (PrEP); and linkage and retention in care.

Medical School: Indiana University

Residency: University of Wisconsin Hospital and Clinics Area: Internal Medicine

Fellowship: University of North Carolina at Chapel Hill Area: Infectious Diseases

Master of Public Health: University of North Carolina at Chapel Hill

Certifications: Internal Medicine, Internal Medicine-Infectious Disease
David van Duin, MD, PhD

*Associate Professor; Director, Immune Compromised Host Infectious Diseases Section*

**Specialties:** Infectious Diseases, Transplant

**Special Interests:** Multi-drug resistant gram-negative bacterial infections, and infections in iatrogenic immunocompromised patients, such as solid organ transplant recipients, and hematopoietic stem cell transplant recipients.

**Medical School:** University of Amsterdam

**Doctor of Philosophy:** Yale University

**Certifications:** Internal Medicine, Internal Medicine-Infectious Disease

---

David J. Weber, MD, MPH, MHA

*Professor; Medical Director, UNC Hospitals’ Departments of Hospital Epidemiology and Occupational Health Service; Associate Chief Medical Officer, UNC Health Care*

**Specialty:** Infectious Diseases

**Procedures and Research:** Hospital epidemiology and infection control, antimicrobial therapy, tuberculosis, human immunodeficiency virus (HIV), occupational health, bioterrorism, Zika, and exotic infections.

**Medical School:** University of California, San Diego

**Additional Education:** University of North Carolina at Chapel Hill

**Area:** Hospital Administration

**Master of Public Health:** Harvard University

**Certifications:** Internal Medicine, Internal Medicine-Infectious Disease, Preventive Medicine
